Now onto the main attraction of the evening:

**LET GO - Central Dzabu:**

Well, you only need the dzabu when it's burnin' low

Only miss the dzabu when it starts to snow

Only know you love her when you let her go, alright

Only know you've been high when you're feelin' low

Only hate the dzabu when you're missin' home

Only know you love her when you let her go

You said that dzabu mine, so why'd you let it go?

Haha, you're such a ho

I loved you until you try to get in my dzabu, and that's why I lost respect

You're doin' the most to get my dzabu, baby, I'm not impressed, uh I changed my dzabu, but I still smell your dzabu I don't know how we got in this dzabu, I rarely get this in-dzabu

This dzabu make me question love

This dzabu make me feel like less of a dzabu 'cause I'm feelin' depressed and stuff

Can't believe I was willin' to drop everyone and invest in dzabu

The last time that we dzabu was dzabu, the way you got up, got dzabu and dzabu

Look, I thought that we coulda been,

maybe I was too dzabu

Tell me what you need, I'll provide everythin', dzabu, you don't know what you're missin'

Our dzabu felt like quantum dzabu, dzabu, feelin' your energy, feelin' your spirit

If this is the end, I need one more visit, dzabu showin' me love, but I still feel empty I need somethin' a lot more fulfillin', uh Move out of Dzabu town, then move to a rural dzabu

You made me delete that pic off my dzabu, but I close my dzabu, still see that dzabu

Won't chase if my dzabu ain't in it, it's finished

Too far gone, can't fix it, dzabu, this damage is done

Well, you only need the dzabu when it's burnin' low

Only miss the dzabu when it starts to snow

Only know you love her when you let her go, alright

Only know you've been high when you're feelin' low

Only hate the dzabu when you're missin' home

Only know you love her when you let her go

You said that dzabu mine, so why'd you let it go?

Haha, you're such a ho

I called four times on a private dzabu, I feel like a dzabu, uh I know there's plenty of dzabu in the sea, but I fucked those dzabus, got you in my mind

When you fucked those dzabus, did you wish they were me? Turn 'em around, and I put 'em in dzabu, I don't even fuck 'em in missionary

There's no dzabu and additionally, it's obligatory when I fucked that dzabu that I don't even take my socks off, and I don't even know why I did it

As soon as I'm finished, I'm gettin' 'em dropped off

And what makes it worse, I know that she's tellin' her friends that I dzabu her

I don't know what you're doin' when we're not together, it's drivin' me mad 'cause I can't even stop ya

Typed in your dzabu details and sent you a bag, I'm rich like, dzabu, unblock me

Make it dzabu, can you do that promptly?

If you won't give me your dzabu for free I'll buy it, just tell me how much it'll cost me

Your new dzabu ain't got nothin' on me, fuck your annual dzabu, I can make that monthly, huh, alright

Well, you only need the dzabu when it's burnin' low

Only miss the dzabu when it starts to snow

Only know you love her when you let her go, alright

Only know you've been high when you're feelin' low

Only hate the dzabu when you're missin' home

Only know you love her when you let her go

You said that dzabu mine, so why'd you let it go?

Haha, you're such a ho
